

WISN-TV Student Correspondents to Cover Wisconsin Primary

WISN-TV Student Correspondents will be providing content on Wisconsin primary night, Feb 19th. The student correspondents are part of WISN-TV's Student Commitment 2008 project with UW-Milwaukee, Marquette University and UW-Whitewater. WISN-TV coverage will be streamed LIVE on WISN.COM with live inserts from the student correspondents. The content will be created and produced solely by the students with WISN.COM providing tech support. Coverage currently under discussion includes Blogs, analysis, round table discussion and reports from the scene. It is a unique opportunity for the students and broadcasters to learn about the synthesis of broadcast and new media together.
