

# HALL OF FAME

## 2023 NOMINATION FORM

### Deadline Jan. 15, 2023

**(Five-Page Submission Limit – No Videos)**

Hall of Fame members are honored for their contributions and service not only to their stations and community, but, as importantly, to the state and national broadcast industry.

While the above criteria serve as a guide, the WBA Hall of Fame Committee will make the final determination each year on who will be selected for the Hall of Fame.

To be eligible, nominees must have worked in broadcasting for at least 15 years, 10 of them in Wisconsin. Inductees are selected on the basis of their contributions to (and leadership in) broadcasting (statewide and nationally), their communities, and the state of Wisconsin. Nominees may be active, retired, or deceased.

This HOF nomination may be considered for a WBA Local Broadcast Legends Award in the event the HOF committee believes this nomination is a better fit for the Local Legends Award.
