2017 Wisconsin Tornado Drill / EAS PSA

Graphics on screen “Tornado Drill – April 20 – 1:45 pm and 6:45 pm” add with your logo

(:30)

On Thursday, April 20 at 1:45 pm and 6:45pm, (Station) will participate in Wisconsin’s statewide tornado drills.

These are only tests and will last for one minute. When the tests are finished, we will return to normal programing.

These tornado drills are an excellent opportunity for you and your family to prepare for the upcoming severe weather season and to practice your emergency plans.

To learn more, go to (Station) or ReadyWisconsin (readywisconsin.wi.gov)
